\*The 4-bolt models are not stock items. They are special-order parts that require additional production time.

Gray bar indicates uncommon or special-order pin length.

MSRP prices are shown in U.S. Dollars and do not include shipping costs. Minimum order may apply.

All prices shown include the Diamond Pier concrete pier head, schedule 40 galvanized pins, and pin caps. Inspection plugs are also available for the DP-75 and DP-100E if required. Inspection plugs must be purchased separately.

Contact Pin Foundations, Inc., for special pricing and lead times for projects requiring stainless steel anchor bolts, schedule 80 pins, or custom bolt configurations:
